What is Zero-Sort® recycling?

Zero-Sort® Recycling is Casella’s state-of-the-art process which enables paper, cardboard, plastic, glass, and metal carts to be collected together in one bin, eliminating the need for you to separate recyclables.

Can I throw trash and recyclables into my Zero-Sort bin?

NO. Your recycling bin is for Zero-Sort recyclables only. Items that cannot be recycled should be tossed into your trash bin.

How should I prepare recyclables?

- Please break down all cardboard with the curbside container.
- Cut oversized material so it fits into the cart with the lid closed. Cut oversized material into 2’ x 2’ squares.
- Please breakdown all cardboard
- Please allow for at least 3’ of clearance between the container and the trash bag.
- Cabinet doors and drawers should remain upright.
- Cardboard boxes should be broken down into 2’ max pieces.
- Plastic bags of any kind are not accepted in your Zero-Sort bin. Please remove them from the cart before service!
- Keep all containers from pails and paper bags.
- Recyclables must be empty and rinsed clean of food residue. Corrugated cardboard boxes should be broken down into 2’ max pieces.
- What type of metal can I recycle in my bin?

Aluminum and tin cans are acceptable.

NOT ACCEPTED: Aluminum cans that do not fit inside your cart. Large or additional materials that do not fit inside your curbside container.

Can I put grocery bags into my Zero-Sort bin or place recyclables in plastic bags?

NO. Pleas do not put any kind of bag in your Zero-Sort bin. Recycle your grocery bags, please bringing them to a participating grocery or retail store.

Can I recycle pizza boxes?

You can recycle pizza boxes with light grease stains. Boxes with heavy food or deep grease cannot be recycled but they are compostable.

Why aren’t paper cups recyclable?

Paper cups contain a thin, plastic lining or waxed finish that cannot be recycled.
