Important Things to Know About Curbside:

All patrons and staff are required to wear a mask, practice social distancing, and all materials returned to the library are quarantined for 72 hours.

At this time, all items MUST be available at the Merrimac library since the delivery service from other libraries has not started up again.

You may only pickup items that are on hold and that you have received a message saying are ready.

Please continue to return all items to the book drop at the front of the building, we will not accept returns on the patio. We are also unable to accept donations.

We are happy to “Browse” our New collection for you by letting you know which authors, genres, or series that have just come in. We can also select a collection of books by topics; such as dinosaurs, trains, space, etc. Just give us a call.

Are you a “walk-up” patron? Not a problem, simply wait on the sidewalk near the parking spaces and follow the same procedures as the drivers.

If you have a problem with your library card, can't remember your PIN, need to apply for a card, don't hesitate to call, most issues can be taken care of over the phone.

Our borrowing periods on all items have been extended by 1 week to allow extra time for these new procedures.

You may notice that the items you return take a few days to be checked in, this is due to the 3 day quarantine, you will not receive any fines.

The staff will be touching the books during preparation and delivery. If you are concerned, we suggested that you quarantine the items for 72 hours before you use them. Please do not use any cleansers to wipe down the items as it may damage the surfaces.

This is all new, so please call with questions, we are happy to help.
