HOUSEHOLD HAZARDOUS WASTE DAY

VOLUNTEERS NEEDED

DESPERATELY !!!

FOR SEPTEMBER 10, 2011

Contact: Eileen Hurley, 978-346-4066
or 978-346-8700

We would be grateful to receive your offer to volunteer to assist in directing people at the Household Hazardous Waste Day on Saturday, September 10, 2011 from 7:00 AM to noon. That's only five hours of one day.

High school students might like this opportunity to earn credit toward community service. Three or four volunteers would be appreciated.

The event will be held at the Newburyport DPW Yard, Perry Way. Specific information will be available in August.

Volunteers will instruct drivers where to go to drop off their waste. They might assist somewhat in placing some items in the proper location. The volunteers will not take the waste, but will keep track of the number of vehicles and may assist in collecting payment. Clean Harbors employees will be there to instruct you or guide you and will help with figuring some of the fees.

PLEASE HELP US.
